JAZZ & EASY LISTENING

Englishman in New York
Strong enough
Come what may
The girl from Ipanema
Minute by minute
Save the best for last
Stay together
If you don't know me by now
All night long
If you leave me now
Smoke gets in your eyes
Dreams
You gotta be
It ain't over
Accidentally Kelly Street
God was one of us
The closer I get to you
Moody's mood
You got a friend
Imagine
Walk on by
What a fool believes
Sexual healing
We're in this love together
Rainy night in Georgia
Route 66
Fire
Saving all my love for you
Unchained melody
Love is all around
You send me
Get here
Summertime
Rapture
Can't help it
Exhale
Unbreak my heart
You are not alone
The way of the world
Soul provider
You are the sunshine of my life
Feel like making love
I believe I can fly
You were meant for me
Fragile
This masquerade

Reminiscing
Dancing cheek to cheek
On a clear day
I get a kick out of you
Falling into you
If I could change the world
Still a friend of mine
Since I feel for you
Bird of beauty
Blackbird
Have I told you Lately
King of the road
Don't let the sun go down on me
My Cherie amour
The lady is a tramp
Rainbow in your eyes
Our day will come
My romance
Just the way you are
Wonderful tonight
Just once
You'll never find
Me & Mrs Jones
For once in my life
Easy
I will always love you
Purple rain
All in the game
I just called to say I love you
Sailing
Sailing
Ribbon in the sky
The girl is mine
Still haven't found what I'm looking for
Fields of gold
Smooth operator
I love everything little thing about you
Crazy love
Tears in heaven
Don't dream it's over
Just the two of us
How deep is your love
Paper moon
Summer breeze
The best of my love
White flag
Here comes the sun
Out of reach
Don't know why
